

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<ul style="list-style-type: none">Membership in PSSPHealthy Schools WeekDeveloping OAA across the school	<ul style="list-style-type: none">Increase in confidence for staff. 1:1 CPD Training, INSET Dance training. Children taking part in more competitive and inclusive PE events.These weeks always significantly raise the profile of PE in the school by exposing children to a range of traditional and non-traditional sports. We also consider diet and mental health.Following advice from our OFSTED visit, we have now further developed the POS for OAA. This now rounds the curriculum so that all areas are developed from F – Y6.	<ul style="list-style-type: none">PSSP is by far the best investment we make as a schoolFeedback from parents was outstanding.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

16000 + 2230 = £18230 - Money allocated

£18316.53 – Money Spent

£-86.53

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Continue membership to the Plymouth School Sports Partnership	Confidence and ability levels in teachers will be increased based on 1:1 CPD and INSET training events. Pupils are exposed to suitable levels of competitive sports.	1: Increased confidence, knowledge and skills of all staff in teaching PE and sport 5: Increased participation in competitive sport	<ul style="list-style-type: none"> • Staff Questionnaires will be sent out to determine confidence levels. • Feedback forms will be completed once CPD has concluded. • Observations to be conducted by the PE lead. • Sports council minutes in review of the curriculum delivered at YFPS. <p>All activity levels are tracked. All children will have had an opportunity to attend a competitive event.</p>	5250 We cannot spend money on the following year's subscriptions T397.54

and signposted to local clubs.	school. Many of our clubs lead to competitions later in the year such as, netball, football, hockey, running and athletics.		of all KS2 children attending a sports club each week. <ul style="list-style-type: none"> Sports council minutes will ensure that we are providing clubs that children are invested in. 	
Transport to events	All pupils will have access to a suitable competitive event	5: Increased participation in competitive sport	Activity trackers will show which events, how many events have been attended and by which children. Write-ups by PSSP will include scores and good examples of the schools sports values.	2000 T2814.8
Develop EYFS outdoor provision Purchase resource that ensure children are meeting the 3 PE based EYFS goals 1. Obstacles 2. Storage 3. Balance stones	Foundation children to help reach the EYFS goals of: --> Negotiate space and obstacles safely, with consideration for themselves and others. --> Demonstrate strength, balance and coordination when playing. --> Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.	3: Profile of PE and sport is raised across the school as a tool for whole-school improvement		1020* *This number has been linked with the PE equipment orders above because we order from the same supplier, but specific order invoices have breakdown.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> • Purchasing equipment enables the EYFS to better achieve their PE linked ELG. • Purchasing equipment used for HSW • PSSP Membership • Purchasing high-quality PE equipment. 	<ul style="list-style-type: none"> • Children have been supported with their fine and gross motor skills which are the building blocks to achieving an active and healthy lifestyle. • This has future proofed HSW so that for years children can have a week where the school games values are championed through a range of traditional and non-traditional sports and team building exercises. • PSSP membership has had a range of positive impacts on our PE provision. They provide the bulk of our CPD which is done by qualified PE specialist teachers. They provided us with 24 inter and intra-school competitive events. • The gymnastics equipment especially is a massive asset to our PE provision. We are also stocked well for the equipment needed to deliver high-quality PE lessons for the following years to come. 	

Swimming Data **2022.23 Cohort**

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	84%	5 children need top-ups
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	65%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	84%	5 children need top-ups – these are the same children who cannot swim 25m
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	5 children
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes	DB is now a qualified swim coach
