

Make your own person

Make your own person who helps us out of ice lolly sticks or pipe cleaners, if you have them.

You could draw them if you would prefer, have fun being creative.

*EYFS: Expressive art and design,
Physical development*

Who helps us?

Draw a list of everyone who you think helps us.

For an extra challenge attempt to write the names of the people who help us.

How many more songs can you find?

Being helpful

Can you help your adults at home by being helpful? Maybe you could help with some chores around the house. How else could you help others?

How do you feel when you've helped somebody? Does it make you feel happy/proud/kind?

EYFS: Understanding the world. Personal, social and emotional development.

Make your own vehicle

Make your own emergency vehicle out of small, medium and large boxes. This could be cardboard, lego pieces or duplo. If you are using scissors make sure you have an adult to help you.

EYFS: Mathematics

Be ready to go

Try to put on your own coat, do your zip up and put your boots on as quick as you can, like a real Firefighter before getting into their fire engine.

Your pets

Do you have any pets at home that have been poorly or needed help from a vet?

What happened? How did this make you feel? Did you help them get better?

*EYFS: communication and language.
Personal, social and emotional
development.*

Your own experiences

Have you ever been taken to the doctors or hospital? Have you ever seen a firefighter? Talk with your adult about what happened and who helped you.

*EYFS: understanding the world.
Communication and language.*

Being creative

Could you make a poster to go in your window to show your appreciation for people who help us. An adult could print a picture off for you to colour, or you could draw something.
